**5. Location: 8535 Mission Rd. San Antonio, TX 78214**

**6. Project Scope:**  
 This project’s scope includes clearing and grubbing of proposed 10’ trail, installation of base and placement of concrete. We installed a pedestrian bridge which included concrete decking approximately 80’ long to join the new bike trail with existing Espada Creek Trail. New signage, which included mile markers, wayfinding markers, and informational text was installed along the trail as well as thermoplastic striping throughout. Multiple CMPs and box culverts were placed throughout the trail along with in house fabricated handrails and guardrails.

**7. Key Project Personnel:**  
**Project Manager - RJ Delagarza**  
**Superintendent/QC Manager- Daniel Ortiz**
